Dear Mr. Shields:

On October 29, 1990, we received your Notice to conduct exploratory drilling on your Green Stone #1 & #2 claims (UMC 336067-336068) in T.8 N., R. 18 W., Section 22. This Notice was assigned U26-91-01N. An inspection of the area indicates that your drilling activity has been completed (or never undertaken), and the site has been reclaimed satisfactorily. We are therefore closing the subject case file.

If you have any questions, or require additional information, please contact Cheryl Martinez of my staff at (801) 977-4371.

Sincerely,

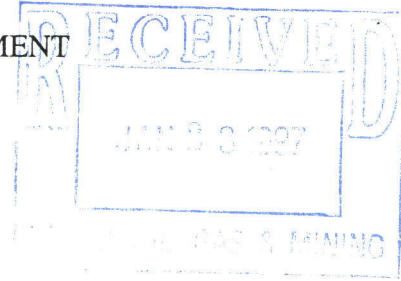

/s/ Margaret Wyatt
